OUR RAAS PROCESS FLOW

WHY INFOCAREER

17+ Years of Domain Depth

Our team has operated inside IT, PM and consulting for two decades — we assess talent the way your technical leaders do.

Unmatched Speed to Hire

Contract resources mobilised in 1–10 days; permanent hires closed within 25 business days. Our warm pipeline means we never start from zero.

We Absorb Your Risk

In contract placements we carry full payroll, statutory and compliance obligations. You gain the talent — none of the legal exposure.

A Network of 50,000+

PMP alumni, Agile coaches and tech specialists reachable from day one — passive candidates job portals simply cannot surface.

Multi-Layer Screening

Every candidate is technically evaluated, culture-assessed and fully background-verified. You only interview people we trust.

Single-Point Accountability

One contact from intake to onboarding — full transparency, zero ambiguity, and a 60-day replacement guarantee on every permanent placement.
